Following the steps in the webpage under step #2. As shown, we will need to enter the following URL in a browser: chrome://net-internals/#chromeos

Step 1: Download the Network File

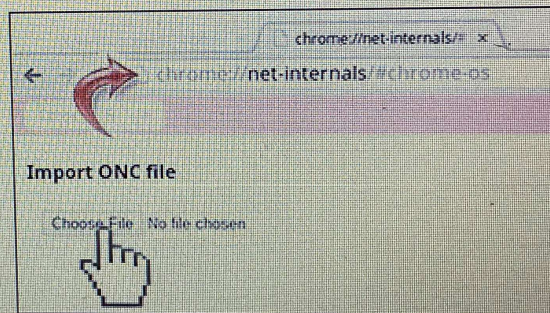

Simply download the file. Do not open it yet.

Step 2: Import Network File

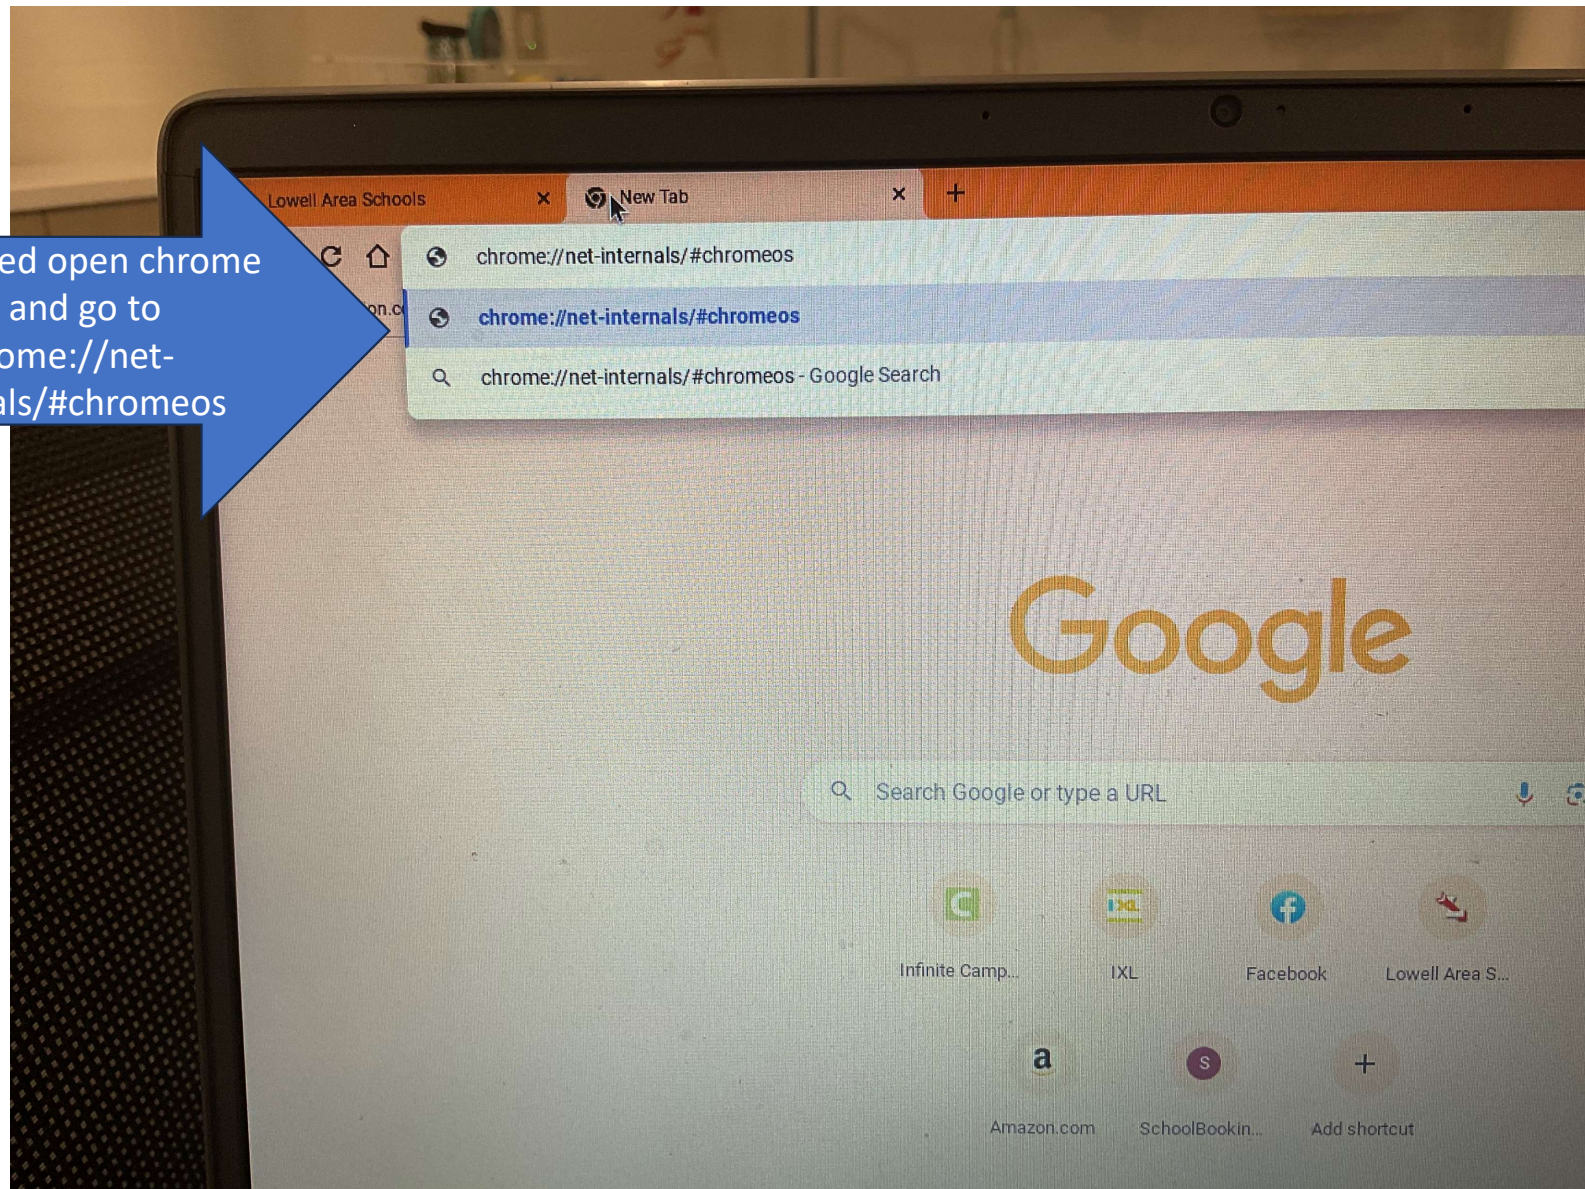

Import the Downloaded ONC File.

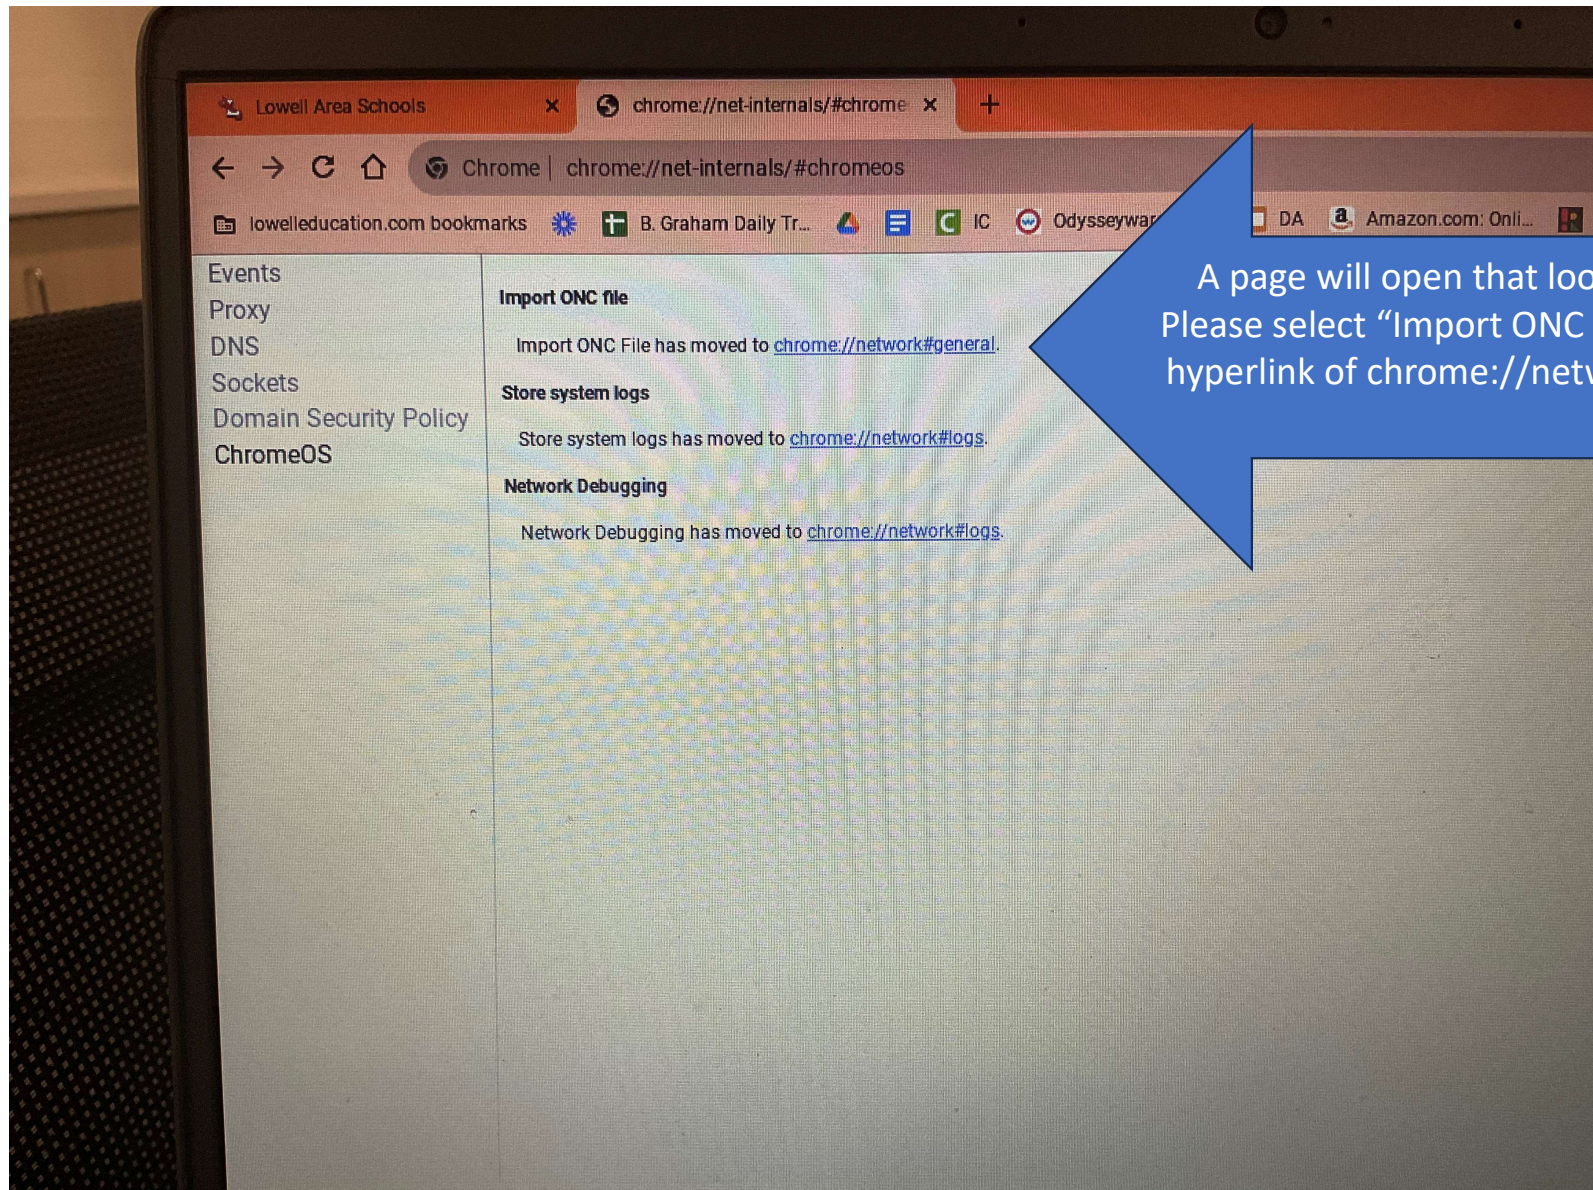

- Open a new tab in the browser.
- Type (or copy & paste) this address into the browser:
chrome://net-internals/#chromeos

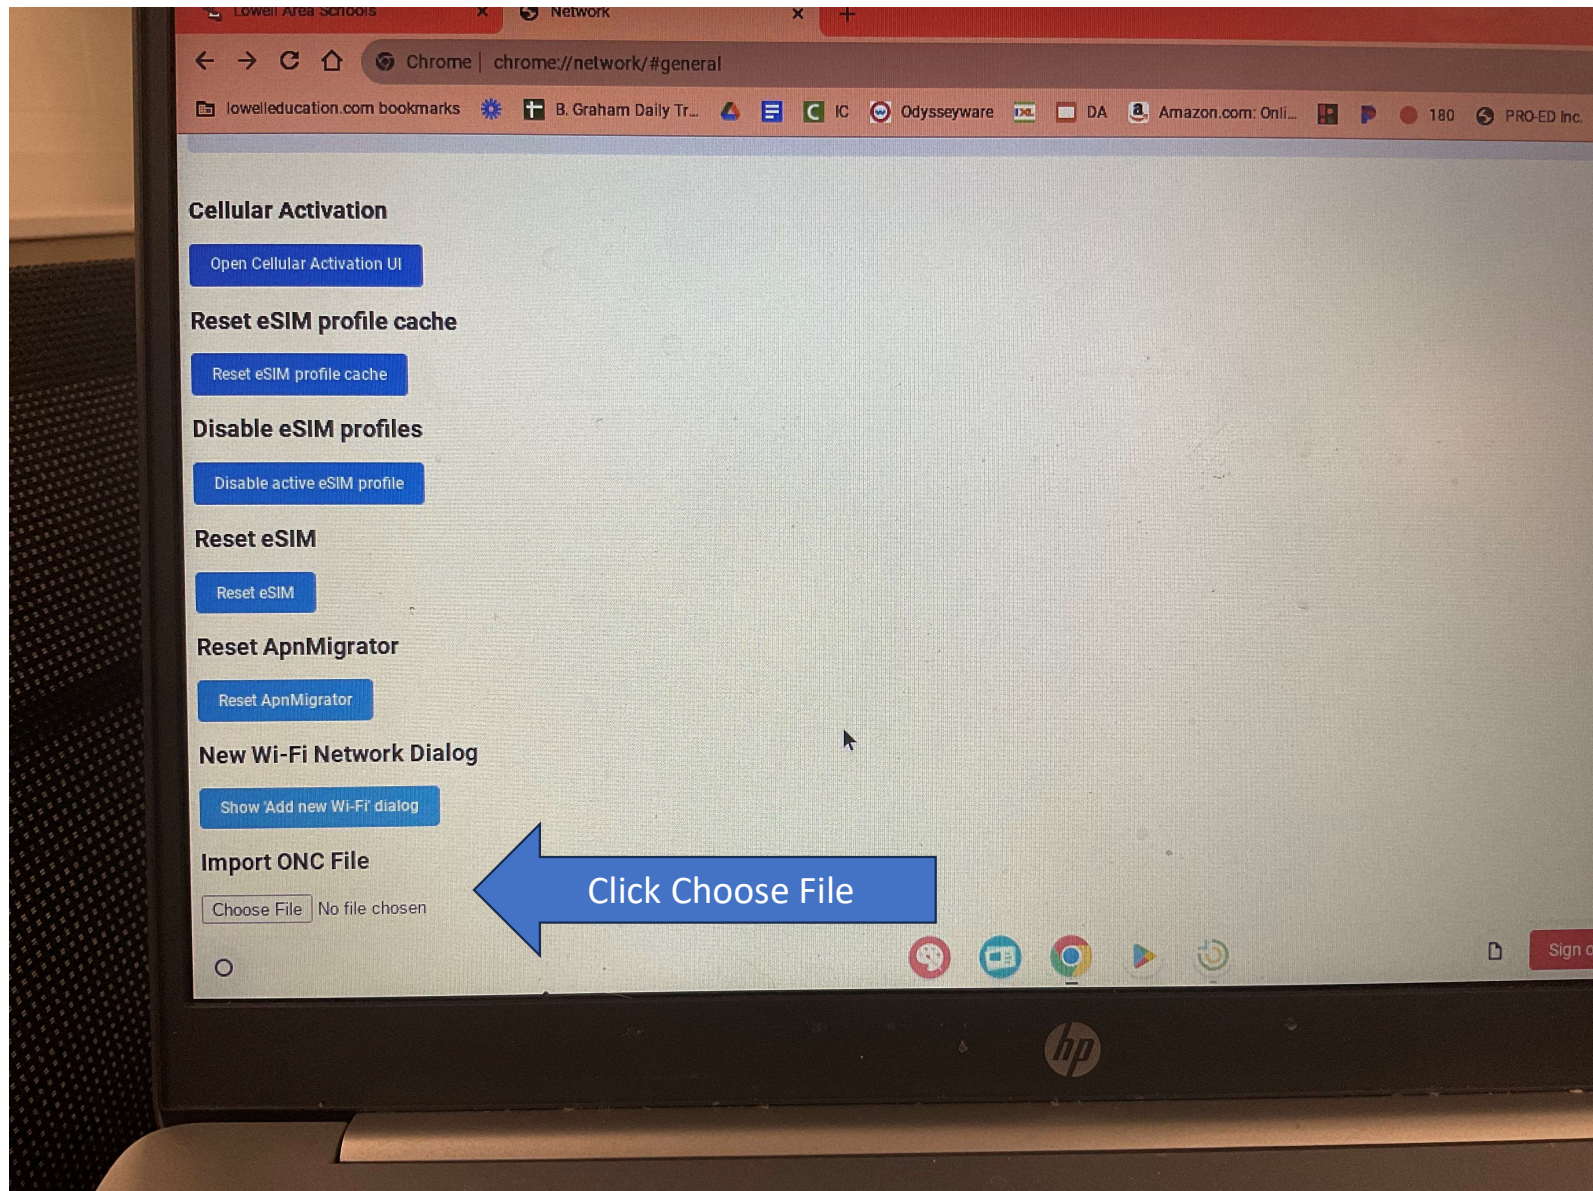

- Under Import ONC File, click Choose File
- Select the downloaded Lowell-Staff.onc file and click Open
- If an error is not reported, your device is now configured for the network.
- To connect, select 'Lowell-Staff' from the list of wireless networks.

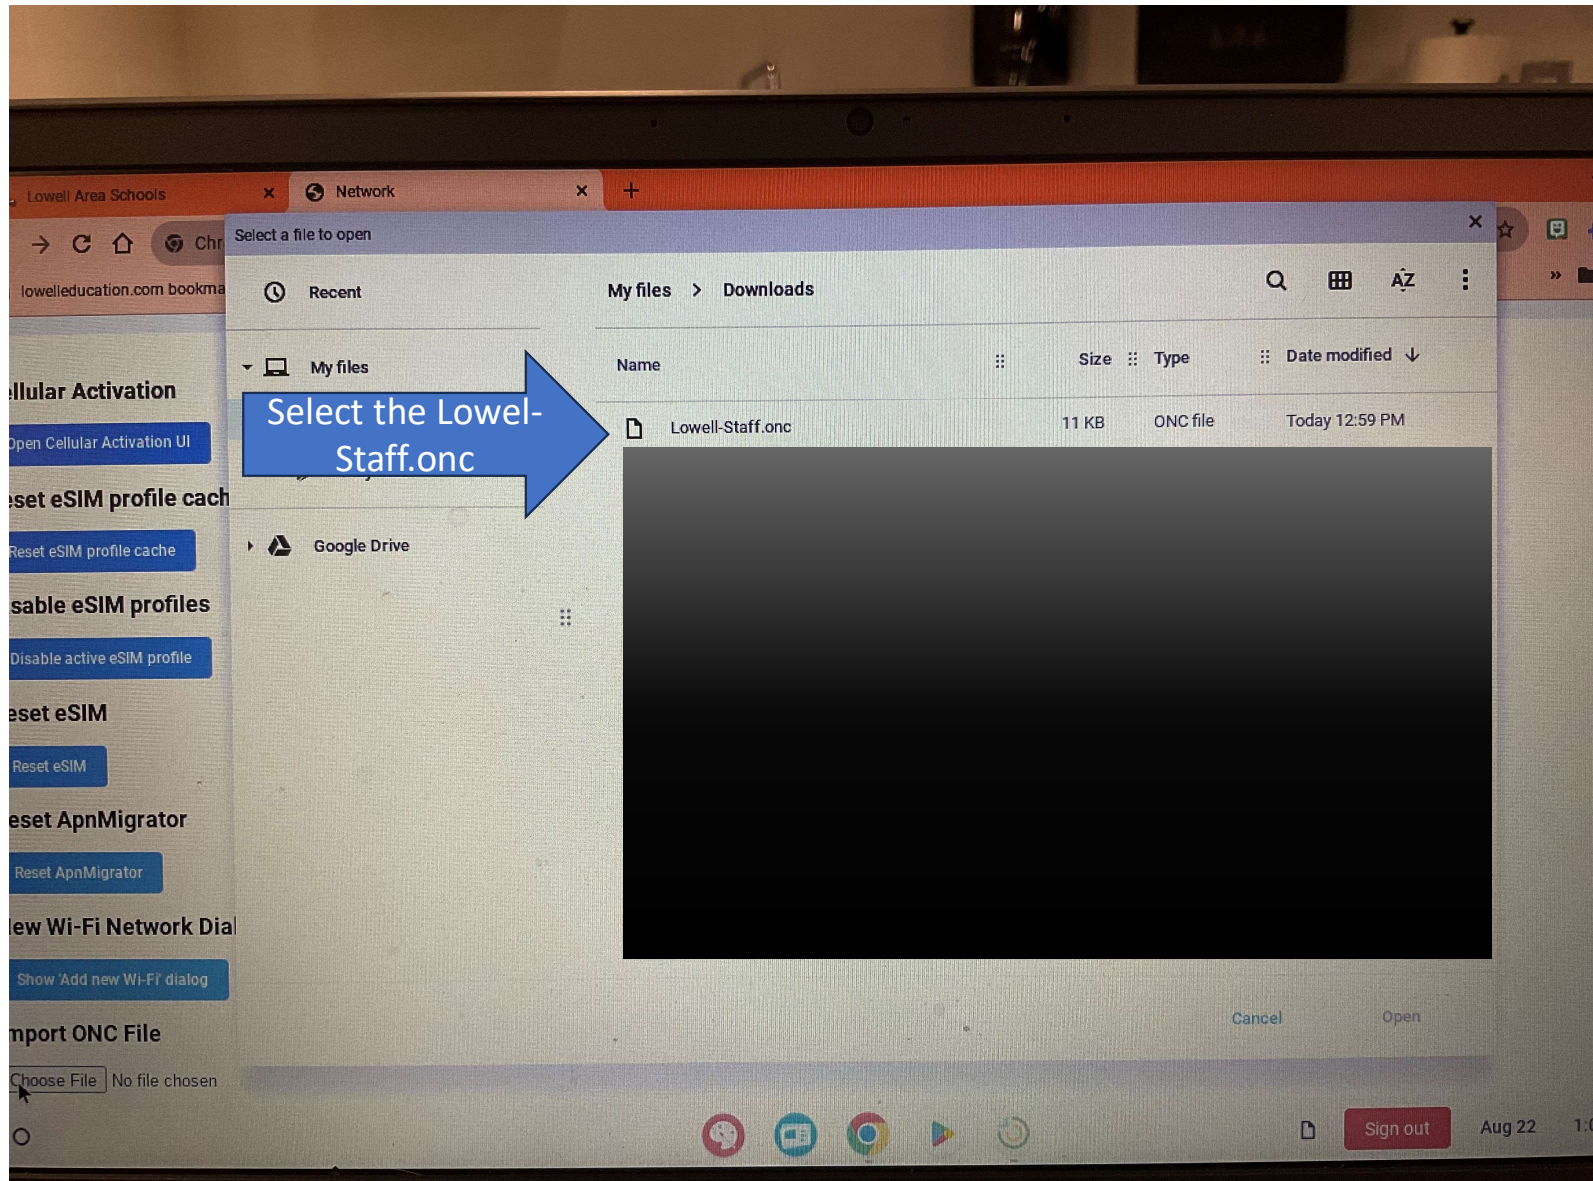

As directed open chrome
up and go to
chrome://net-
internals/#chromeos

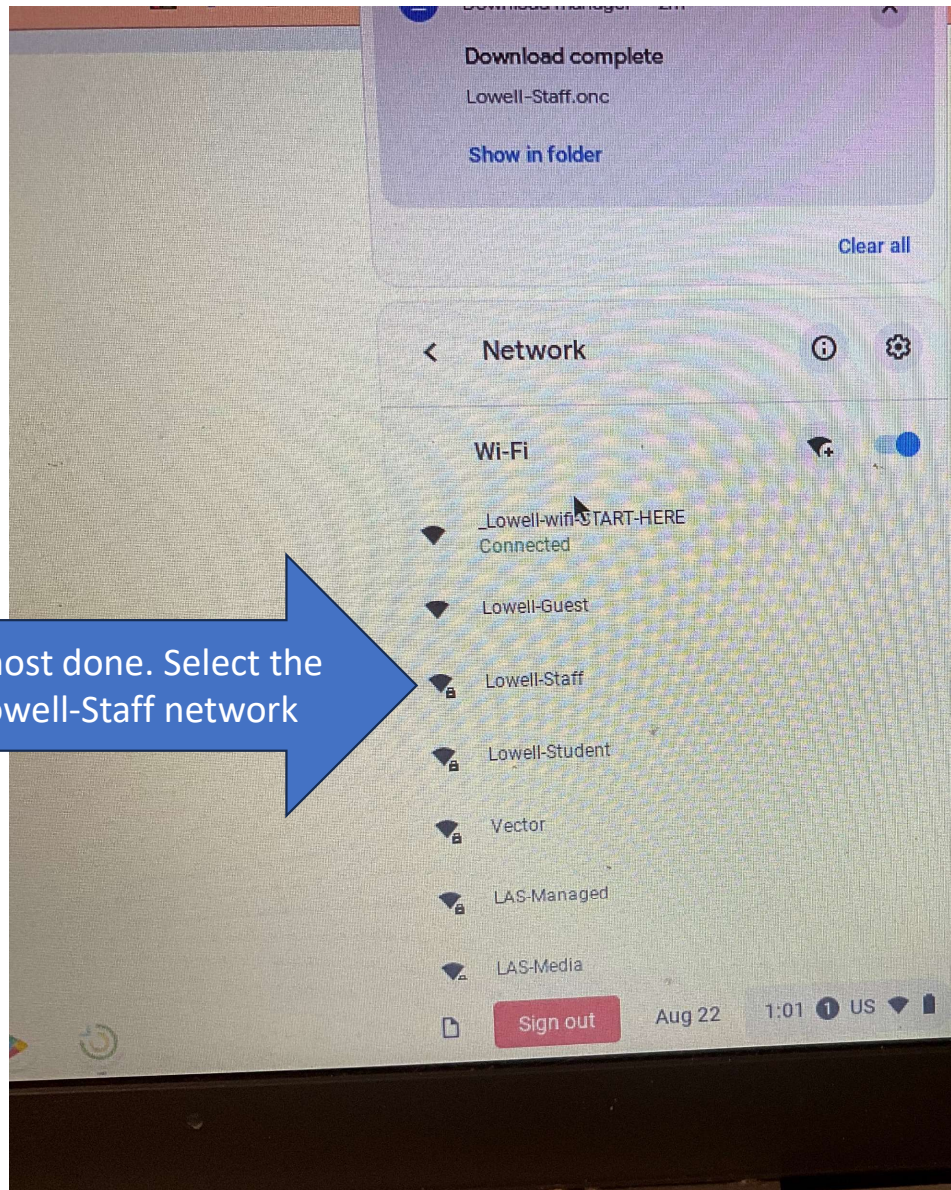

A page will open that looks like this.
Please select "Import ONC File" with the
hyperlink of `chrome://network#general`

Almost done. Select the Lowell-Staff network
